

# RACING IS NOT SOMETHING YOU "LIKE" TO DO. RACING IS SOMETHING YOU **LOVE** TO DO.

**TMR** was created for real motorsports enthusiasts who understand this simple truth.

Whether your love is hot rods, off-roading, import tuning, bikes, or planes - **TMR** is designed for all true gearheads.

With a blend of both classic styles and unique modern pieces, **TMR** offers authentic race-inspired style and performance - all backed up by the quality and service you've come to expect from Tri-Mountain.

## ROSS BERLANGA // BERLANGA DESIGNS

Mix a passion for cars and an eye for design and you get a car guy with a renaissance man twist. Ross has been designing for years, everything from national ad campaigns to vehicle renderings. Over the last several years, Ross' vehicle renderings have received multiple awards across several vehicle and award categories. He's designed graphics for everything from NHRA drag cars to FormulaD drift cars to showcars for the SEMA show. Ross' very first vehicle design was for Tony Genty's 1953 Merc that graced the cover of Hot Rod Magazine in 2002. His own 1971 Chevy el Camino called "Air Camino" has graced the pages of several magazines and he continues to create amazing designs to awe the automotive world.

**DAN GARDNER //**  
JACKSON-DAWSON COMMUNICATIONS

Dan Gardner is the "everyman" racer. His crew consists of his best friends. He tows his car to the track on Friday, races all weekend, and shows up at his day job on Monday. He embodies America's racing spirit – not because he's paid to do it but because he loves it. Gardner became the first road racer in history to take a national podium in a modified Scion tC. In 2007 Gardner won the 2007 NASA Performance Touring regional championship, claiming five track records in the process. Dan's love of racing pushes him to go faster and harder.
